

The registration system for people from outside National Central University

1. In response to the epidemic prevention of “severe special infectious pneumonia,” NCU has cooperated with the government to adopt practical measures. In accordance with the “Personal Data Protection Act’s Specific Purposes and Categories of Personal Data” code 012, the collection of personal data shall not be used for purposes other than public health or prevention of infectious diseases. The collected data will only be kept for 28 days and will be destroyed by the expiry date.
2. The subject and practice of using personal data: when necessary to prevent the epidemic, personal data may be provided to the health authority for epidemic investigation and contact purposes in accordance with the provisions of the Infectious Disease Prevention and Control Act.
3. The parties may exercise their rights to National Central University in accordance with the provisions of the Personal Data Protection Law, including inquiries or request for reading, requests for copying, requests for corrections, requests for suspension of processing or utilization, requests for deletion, etc.
4. If the parties are unable to cooperate with the practical measures of NCU, they will not be able to enter the premises or participate in activities.
5. **If you are currently listed as a subject of “home quarantine,” or “self-health management” by the health unit, you are strictly prohibited from entering the campus. If you hide or misrepresent information, you will be reported to the health authority in accordance with the Infectious Disease Prevention and Control Law.**
6. **If you have a fever ($\geq 38^{\circ}\text{C}$), abnormal smell/ taste, diarrhea, or respiratory symptoms, you are strictly prohibited from entering the campus.**
